Dialogues About Race and Ethnicity (DARE)

We aim to build, improve and sustain positive relationships through training and dialogue with local people and their neighbours from different cultures and countries.

The DARE to Lead Change Project (DARE) is led by Bryson Intercultural, in partnership with TIDES Training and Consultancy, funded by the European Union's PEACE IV Programme and managed by the Special EU Programmes Body (SEUPB). The project is available in Northern Ireland and the Border Counties.
